

Beauty is Belief

Rabbeinu Gershom's life story

Rabbeinu Gershom and his wife Devorah come to bid their father-in-law farewell as they head off to Constantinople.

Johan, the evil brute, tells off a Jew in the tavern for wearing old ragged clothes. In return the Jew gives him advice on how to be a real man. Johan swears to get back at the Jews for embarrassing him.

In another place not very far Michael (Johan's nephew), comes across beautiful but vain Mileta. He promises her luxuries for her hand in marriage and conversion. Mileta is left ecstatic and full of hope.
