# JUST MACBETH!

by

## ANDY GRIFFITHS

# BELL SHAKESPEARE

**8 – 26 OCTOBER 2008  
SEYMOUR CENTRE**

***Just Macbeth!*** by Andy Griffiths is a really silly version of Shakespeare's great big gory tragedy starring Andy, Lisa, Danny and (yuck!) Jen from the *Just Tricking!*, *Just Stupid!*, *Just Shocking!* books.

And when we say really silly, we mean really, really silly as it is performed by six funny but tragic actors and a garden gnome and features a severed head that talks Shakespearean.

And when we say really, really silly, we mean really, really, really silly as there are witches and whiz fizz and ghosts and girl germs and weird Elizabethan things like soliloquies and sharp swords and other things beginning with S.

Bell Shakespeare's production of ***Just Macbeth!*** re-envisions the themes of *Macbeth* through the eyes of Andy Griffiths' much loved characters. An hilarious and irreverent take on one of Shakespeare's most popular plays, this new show will have you in stitches!
